SAMPLE TRAVEL ITINERARY • 14 DAYS / 13 NIGHTS

Tokyo Two-Week Travel Itinerary

April 5 – April 18, 2027 • Spring Cherry Blossom & City Exploration Route

This two-week itinerary balances Tokyo's historic temples, contemporary architecture, neighborhood food streets, and nearby day trips. Days are grouped geographically by train corridor to minimize transit transfers and maximize time on foot.

> **Trip Overview & Logistics:** Base accommodations in a central hub along the JR Yamanote Line (such as Shinjuku, Shibuya, or Ueno) for direct rail access across all wards. Pick up a rechargeable IC transit card (Suica or PASMO) at the airport upon arrival.

Practical Travel Notes

- **Advance Reservations:** Book timed-entry tickets 3–4 weeks ahead for teamLab Planets, Shibuya Sky sunset slots, and limited express seats to Nikko and Hakone.
- **Cash & Payments:** Credit cards and IC cards are widely accepted in department stores and transit, though carrying ¥10,000–¥15,000 in cash is helpful for smaller shrines, street stalls, and ramen ticket machines.
- **Luggage Forwarding:** Use hotel-to-hotel or hotel-to-airport takkyubin courier services on Day 13 for heavy suitcases to simplify airport rail transfers.
